

**Shikellamy School District Acceptable Use of Networks,
Internet and Computing Resources-Elementary
Policy 815-revised 9/10/2015**

My teacher has given me the rules for using the Shikellamy School District classroom or lab computers. I agree to listen to these rules when I use the computers. If I break the rules, I may not be allowed to use the computers.

(If you are under the age of 18, a parent or guardian must also read and sign this agreement.)

As the parent or guardian of this student, I have read the Acceptable Use of Networks, Internet, and Computing Resources Policy. I understand that this access is designed for educational purposes, and that the Shikellamy School District has taken precautions to eliminate controversial material. However, I also recognize that it is impossible for the Shikellamy School District to restrict access to all controversial materials, and I will not hold them responsible for materials acquired on the Internet. I have discussed this policy with my child and have informed him/her that he/she needs to use the District computers according to the classroom rules, which are in accordance with this policy.

Check one and sign.

I, hereby give permission to the Shikellamy School District to allow my child use of the District computers, which includes Internet access, while the child is enrolled in any of the Shikellamy School District elementary schools and certify that the information contained on this form is correct. If I withdraw permission for my child to have Internet access, I will need to inform the Elementary School Principal in writing of this decision. I understand that using the District computers means that students must still abide by General Computer Usage regulations.
