

**Shikellamy School District Acceptable Use of Networks,
Internet, and Computing Resources-Staff
Policy 815-revised 9/10/2015**

I have read the Acceptable Use of Networks, Internet, and Computing Resources Policy in its entirety. I understand that any violation of the policy on my part could result in disciplinary actions and/or limited network access. I also understand that some violations could become legal issues and appropriate legal action could be taken.
